HOLIDAY HOMEWORK

A VACATION IS HAVING NOTHING TO DO AND ALL DAY TO DO IT IN...

Dear Parents,

The long awaited summer vacation is here, bringing with it the gift of togetherness that is spent in exploring books, watching informative programs and playing games. While fun is intrinsic to their age, fruitful occupation of their time is of vital importance towards children as a progressive learning. Keeping this in mind, our teachers have painstakingly designed interesting Projects / Assignments for children to be completed during the summer vacation.

As parents, kindly motivate and lend support to your children and ensure that they complete the given work well-in-time and to the best of their ability. We would be happy if parents encourage children to work on their own.

HAVE A GREAT SUMMER VACATION!!!
